YEAR 7

Activities Week 2025

Year 7

We're excited to share the plans for this year's Activities Week (AW) for our Year 7 students. This special week is designed to give students the chance to learn beyond the classroom, try new experiences, and most importantly – have fun!

Activities Week is a highlight of the school year, offering students the opportunity to:

- Take part in exciting trips and activities
- Build confidence and independence
- Make new friends and lasting memories

Each day, students will take part in a different activity or trip, all of which are detailed in this booklet. The programme has been thoughtfully designed to ensure variety, enjoyment, and personal growth.

The total cost for Activities Week is £70, which includes:

- Entry fees to venues
- Instructor and activity costs
- Transport to and from activities

All payments should be made via ParentPay. Bookings will open on Monday 2nd June 2025 at 5:30 pm. To secure your child's place, we ask for an initial deposit of £35 (or you may pay the full amount upfront). If you do not have access to ParentPay, please contact the school as soon as possible so we can assist you.

The remaining balance can be paid in full or in instalments, but must be completed by Wednesday 2nd July 2025. Please note that we are only able to secure bookings with external providers once payment is received. Failure to keep up with payments may result in your child losing their place.

If you have any questions, feel free to contact us at reception@falmouthschool.net – we're here to help.

KEY DATES

- Monday 2nd June 2025, 5:30pm – ParentPay bookings open for activity deposits
- Wednesday 2nd July 2025 – Deadline for full Activities Week payment

Please note:

- All activity costs are approximate at this stage and may be subject to minor adjustments depending on student sign-up numbers.

The cost of Activities Week includes:

- Travel and transport
- Entry and admission fees

We are pleased to confirm that the school has heavily subsidised the cost of the week to ensure the experience remains accessible to as many students as possible. We believe this represents excellent value for money.

If you are concerned about affordability, please do not hesitate to contact the school—we are happy to discuss how we may be able to help.

We're really looking forward to this fantastic week and hope your child will be excited to take full advantage of the opportunities on offer.
