Falmouth School is part of The Roseland Multi-Academy Trust which consists of two further secondary schools, two primary schools and a Teaching School Hub. The Trust's mission is "to provide outstanding education for our communities, where everyone succeeds" and we put our staff at the heart of everything we do to create a team spirit in our highly successful schools and Central Team. Continuous Professional Development is prioritised, supported by a variety of initiatives that develop our teachers to be truly outstanding practitioners.

Food Technology is currently taught as part of the highly successful curriculum across Key Stage Three. At Key Stage Four we deliver the WJEC Hospitality and Catering course. - have excellent interpersonal and communication skills;
- be excited about helping to design and create every aspect of the school and Trust;
- contribute to the whole life of the school through extra-curricular activities;
- have the highest ambitions for your students, the school, Trust and yourself.

In return we will offer you:

- a unique opportunity to be a key member of staff in a forward-looking, successful school;
- a happy and supportive working environment with high expectations and standards of staff and students;
- Access to high quality Continuous Professional Development within the Multi Academy Trust and offered through The Roseland Academy's Teaching School Hub, OneCornwall, network.
